## Media Insurance, Risk Assessment & Health and Safety Information for 2024 (Renews 1st Feb 2025)

Pages 1    **General Statement for Insurance and Safety**

Pages 2-5    **Insurance Cover Notes and Details** (Camera Tracking Fleet and Focus Policy)

### Risk Assessments

Safety is Paramount to the success of Bickers Action. Every job we undertake is carefully Risk Assessed, which is especially important for our Camera Tracking and Stunt Engineering work as the Nature of this work always carries Risk Elements which must always be considered.

Risk Assessments work together with our Media Insurance Policies – Working as a Package

### Media Insurance

We take matters such as insurance / Safety very seriously. We have a close working relationship with **Tysers Insurance Brokers Ltd.** A Specialist Insurance Broker to the Film, Television and Media Industry.

Our Insurers Zurich are fully aware of all our activities and pay particular attention to our **Business Description**, which incorporates Action Vehicles, Stunt Equipment, Camera Tracking Vehicles, Manufacturers of Specialised Vehicles, Stunt Engineering, Mechanical Special Effects & Lifting / Rigging Gear to Media and Industry (Bickers Lifting Ltd). Also included Bickers Action Worldwide Ltd – (Taurus Vehicle Rental company)

**All Bickers Insurance Policies Run from 1<sup>st</sup> Feb 2024 – 31<sup>st</sup> Jan 2025.**

**Please note that if Public Liability Cover is required above £10M – Any Additional Cover / Premium will have to be paid by the Customer / Client.**

### Please Note:

There is a misconception that a normal Motor or Motor Trade Insurance is adequate for Camera Tracking Work - this is not the case. A normal Motor or Motor Trade Insurance Policy (not through a Media Insurance Specialist or a Broker not aware of the Camera Tracking activity) will only cover up to arrival on set and the departure from set. It will not cover the Camera Tracking Vehicle whilst filming is taking place. We have a bespoke Motor/Fleet Policy which will cover us to partake in filming for general and stunt involved Camera Tracking work. We have Comprehensive policies for our industry, which Tysers would be willing to discuss with any of our clients in more detail.
