

JWM/Bickers Air-Ride Low Loader (Ireland)

The **JWM/Bickers Action Low Loader Tracking Trailer** is a specialist vehicle designed for filming driving scenes, particularly in-car dialogue sequences. It can carry most types of vehicles, allowing actors to safely perform while the vehicle is in motion.

The trailer includes an enclosed crew compartment for up to **6 Crew Members**, featuring windows for visibility, seating, and lap safety harnesses for comfort and safety during filming. Performers remain inside the action vehicle mounted on the trailer throughout the shoot.

To ensure smooth and stable footage, the trailer is fitted with adjustable **Air-Cushion Independent suspension**, even when carrying heavy loads or travelling over uneven surfaces.

Operated by a **precision tracking drivers**, this vehicle requires an **HGV Class 1 licence** and is driven by one of our drivers with specific expertise in film production.

The towing vehicle is equipped with a **6kW Honda Generator** to power cameras, lighting, and other on-set equipment
